

Acme Corp pilot

Rollout plan | Version 3 | Prepared by Alex at Off Grid AI

Pilot scope

The Acme Corp pilot starts on 14 November with 40 seats. The pilot covers private document search, chat, voice, and secure Sync between approved devices.

Owners and checks

Owner	Responsibility
Priya Nair	Owns the rollout plan and pilot delivery.
Tom Reyes	Verifies the gateway policy before kickoff.
Sam Okafor	Customer contact at Acme Corp.
Alex	Sends the scope, confirms owners, and hosts kickoff.

Alex's commitments to Sam

1. Send the pilot scope for 40 seats, with the 14 November start date.
2. Confirm the owners and checks: Priya owns the rollout, and Tom verifies the gateway policy.
3. Arrange a kickoff call next Tuesday.

Next action

Send Sam the rollout plan on Friday at 10 AM. Use Pilot_scope.docx for the detailed scope. Sign the reply Alex.
